

Eluxtra™ 360° LED Neon - 5m, Monochrome

LN360-XXXXK-5m

PRODUCT DESCRIPTION

Eluxtra™ 360° LED Neon (3000K & 6000K) delivers uniform illumination across its entire circumference, ensuring maximum visibility and a sleek, modern aesthetic. Encased in a premium white silicone housing, this flexible Neon adapts effortlessly to curves and contours, making it perfect for creative lighting displays.

Engineered for durability, Eluxtra™ 360° Neon boasts an IP65 rating, making it a reliable solution for both indoor and outdoor spaces. It is UL listed and designed for Class 2 installations, ensuring compliance and safety across all applications.

Eluxtra™ 360° LED Neon includes 2m leads on both the head and tail ends. This allows for flexible placement of power supplies and controllers, simplified cable management, and improved ease of installation in hard-to-reach areas.

Ideal Application: Ideal choice for stage designs, live performances, hotels, art exhibits, retail displays, houses of worship, and more.
