

## 5-in-1 RGB LED Strip Light

### PRODUCT DESCRIPTION

5-in-1 LED Strip Light allows you to create bolder colors than ever before, making it perfect for use in scenic, stage, and retail environments. The 5-in-1 is just that; five LEDs conveniently packaged on just one node, allowing for richer tones and cooler hues that were previously impossible to achieve with a single strip. In addition to containing an RGB diode, this strip also features a 6500K white with either a 2500K white or an amber diode.

### PRODUCT FEATURES

- 5 colors on the same node
- Over 1 trillion color combinations
- UL Listed and RoHS certified
- Seamless blending of RGB and 6500K with 2500K or amber
- Available in black and white PCB
- Available in IP67 waterproof
