

LumenMax LED Strip Light

Our Brightest LED Strip

LumenMax LED Strip Light is the brightest single row LED strip light available. This stuff is blindingly bright! Surface-of-the-sun-level bright! With 240 LEDs per meter, and an industry-leading lumen output of 6,600 lumens per meter, this LED strip light allows for perfect diffusion and a long throw. It features a 14mm wide circuit board that is 12mm wide at the solder/connection points. This slimming design is optimized for easy connectivity, allowing you to use our stock connectors.

- Up to 6,600 lumens per meter
- 240 LEDs per meter
- Long throw
- Available in 2,700K to 6,500K
- Compatible with our stock connectors (HIP 12W)
- CurrentControl
- UL-Listed

◀ Dimmable

LumenMax LED Strip Light
