

## Add Accent Lighting to Your Project Today!

There are many aspects to a complete lighting design. Accent lighting is an overlooked aspect that can set your lighting design apart. We've included a few different accent lighting applications below to give you some ideas of how to add more exciting elements to your space. Give your sales rep a call to discuss all the different applications for our LED accent strip lights - 888.880.1880

### Under/Above Cabinet LED Lighting

LED Strip Light, **REVICV-30-CL-5** / Channel System, **REVICV-CS106-2m**

We offer simple plug and play technology to give your project soft, diffused lighting with natural color, flawless dimming performance and accessories for your all your cabinet lighting needs.

### Cove LED Lighting

LED Strip Light, **REVICV-30-HF-60-10**

Use LED Lights to illuminate a space with indirect, ambient lighting that reflects off your ceiling to provide a soft, even distribution of light.

### Bed Headboard/Under Bed LED Lighting

LED Strip Light, **REVICV-30-HF-60-10**

Add a soft glow of bed light that will guide you safely across the room in the dark with no disturbing glare to wake others.

### Bathroom LED Lighting

LED Strip Light, **REVICV-30-CL-5** / Channel System, **REVICV-CS179-2m**

Illuminate your bathroom with high-quality LED lights that look incredibly modern and avoid the need to change light bulbs for years to come.

### Toe Kick LED Lighting

LED Strip Light, **REVICV-30-CL-5** / Channel System, **REVICV-CS106-2m**

Set the mood by adding Toe Kick Lighting to your space. Toe Kick Lighting will transform your space from ordinary to extraordinary.

### Closet LED Lighting

LED Strip Light, **REVICV-30-MR-240-10** / Channel System, **REVICV-CS106-2m**

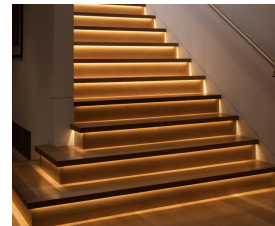

We offer LED lighting systems that generate a minimal amount of heat even if placed behind glass cabinet doors that may showcase items that are sensitive to temperature.

### Stair LED Lighting

LED Strip Light, **REVICV-30-CL-5** / Channel System, **REVICV-CS106-2m**

Enhance the look of your stairs by adding LED strip lights to the top, bottom and/or sides of your stairway to give a soft glow on each step.

### Stage Accent Lighting

LED Strip Light, **REVICV-RGB-HF-60-5**

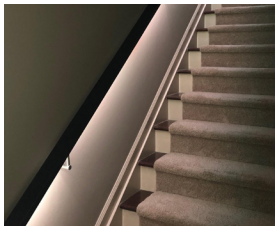

Create impressive lighting accents with LED strip lights for your stage and scenic needs.

### Under Railing LED Lighting

LED Strip Light, **REVICV-30-CL-5** / Channel System, **REVICV-CS106-2m**

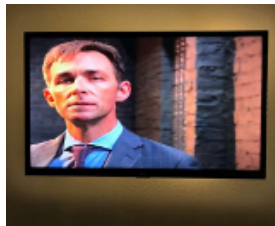

Give a subtle glow to your walkways by adding strip light to the underside of railings.

### Television LED Backlighting

LED Strip Light, **REVICV-RGB-HF-60-5**

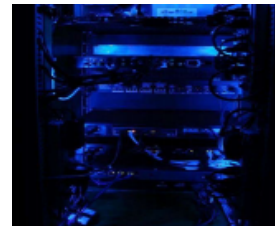

Add LED strip light to the back of your television for a subtle glow of illumination in your space.

### AV Rack LED Lighting

LED Strip Light, **REVICV-RGB-HF-60-5**

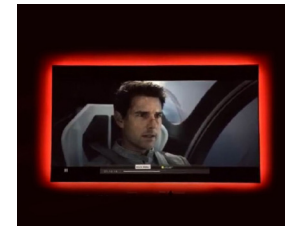

Shed light over an A/V rack to add aesthetic to your component maintenance & organization of your installation.

### Projector Kit LED Lighting

LED Strip Light, **REVICV-RGB-HF-60-5**

Add LED strip light to the back of your projector screen for a subtle glow to set the ambiance.
