

## EdgeLight RGB+6500K LED Wash Bar

RGB6500K-3535-ELWB-1m, RGB6500K-3535-ELWB-333mm

### PRODUCT DESCRIPTION

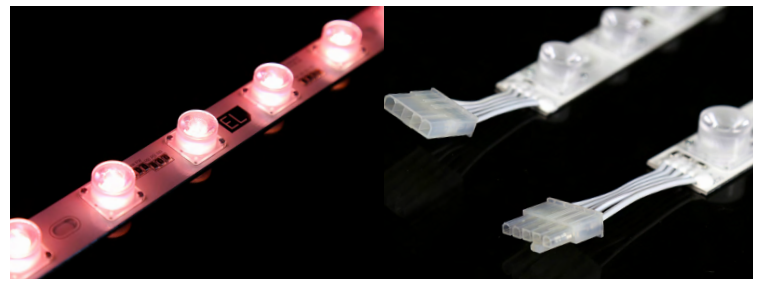

The EdgeLight RGBW LED Wash Bar is a versatile light bar that illuminates indoor walls or surfaces, available in 1 m and 333 mm lengths. This product transforms environments by mixing red, green, blue, and 6500K to create the exact shade and hue you're looking for. These bars offer a combination of versatility, and precise lighting control, making them an optimal choice for washing interior walls or displays. They provide enhanced visual aesthetics, energy savings, and reduced maintenance requirements, making them a popular lighting solution in various applications, including architectural lighting, retail displays, galleries, museums, and hospitality venues.
